Our catalog lists standard costs for items either hand delivered or mailed.

For years the Portland Area Bible Students have published valued Bible Student resources and offered them at cost with no mark up.

We are now offering a special promotional for Bible Student congregations or requests for two or more of the large Edgar book titles.

We have a large supply of two titles and wish to offer these below cost to put them in the hands of students and readers rather than continuing in our inventory. These are:
GREAT PYRAMID PASSAGES and GLEANINGS FROM GLASGOW.

They are still listed for normal single copy costs in our catalog at:

<http://portlandbible.com/publications>

For Bible Student congregations and conventions:

To ship to USA addresses any quantities for \$20 postage per case of 12.

Free if they can be hand delivered.

For individuals:

Offering two books for one price of \$10.

The offer would be just \$10 total cost for any 2 books of either title.

This includes postage and need not be added.

This is well below the price for either single book.

Again this offer is free if hand delivered.

Please contact us for requests or more information.
