STUDY XIV: THE KINGDOM OF GOD

Each of the paragraphs below has central points. After reading the section, the participation is open as how you understand the material, substantiation, evidence, examples and your own questions.

Two Phases of the Kingdom of God

294:2

Ten tribes went into captive to Assyria before the two tribes were taken to Babylon.

Are 10 tribes lost?

295:1-2 (2)

Israel and Jerusalem were the typical Kingdom of God.

What advantage has the Jew (Rom 3:1), and how will the Kingdom work through them?

295:3—296:1 (2)

A Millennial Age highway will be provided for recovery and restoration.

What will mankind receive who reach the end of perfection?

296:2-3 (2)

Literal Jerusalem will be restored.

What Kingdom purpose will Jerusalem serve?

297:1-2 (2)

Israel was both typical and actual.

What is the antitype of their typical covenant relationship?

297:3

Future blessings will first be to the Jew and then also to the Gentiles.

Why is this order?

298:1—299:1 (2)

Israel lost some favors and others are still sure.

What favors were lost? What favors are retained?

299:2

God's gifts, callings, covenants and promises had both earthly and spiritual favors.

Does Israel's failure in the spiritual part then exclude them from all favors?

300:1

Rom 11:25-33 is Apostle Paul's explanation of salvation for natural Israel.

In your own words, what is Paul's reasoning here?
