The Time Is At Hand - STUDY V

The Manner Of Our Lord's Return And Appearing

Each of the paragraphs below has central points. After reading the section, your participation is open as to how you understand the material with substantiation, evidence, examples, and perhaps your own questions.

126:1

Jesus appeared to his disciples after his resurrection in a variety of ways and forms.

What was the lesson taught to his disciples?

Explain how (In The Footnote) the occurrence recorded by Luke 4:30 should not be regarded as a case parallel to our Lord's appearing and vanishing after his resurrection.

126:2 -127:2

What unquestionable proofs were given by our Lord that He was no longer a human being?

127:3

What are some scriptures where on special occasions spirit beings delivered special communications from Jehovah?

127:4

What proof is there that the bodies assumed by these spirit beings were not their glorious spirit bodies?

128:1

What lesson is taught by our Lord to his disciples as recorded in Luke 24:38 & 39 ?

128:2

How do the words in 1 John 3:2 and 1 Corinthians 15: 50,51 help to dispute the absurd conclusions of some Christians?
